

Sri Vidyaranyokta Panchadasi yukta Bija Samputita Srisukta Vidhanam

The Samputita Sri Sukta Vidhanam is an ancient and powerful method of worshipping goddess Sri Lakshmi Devi, passed down to us by Sri Sri Sri Vidyaranya Swamy, a 14th-century saint and philosopher who was the 12th head of the esteemed Sringeri Peetham.

Through his profound spiritual wisdom and political acumen, Sri Vidyaranya Swamy played a crucial role in establishing the grand and mighty Vijayanagara Empire in South India, guiding the rulers Harihararaya and Bukkaraya to greatness.

According to historical records, Sri Vidyaranya Swamy advised rulers Harihararaya and Bukkaraya to worship Sri Devi using the powerful method of Samputita Sri Sukta Vidhanam. This ancient practice involves reciting specific mantras and hymns dedicated to the goddess Sri Lakshmi Devi.

The rulers followed Sri Vidyaranya's advice, and their kingdom flourished with great wealth and prosperity for the people. The Vijayanagara Empire became one of the most powerful and influential empires in South India during its time, known for its military strength, cultural achievements, and economic prosperity.

The following mantras are used in the Samputita Sri Sukta Vidhanam process.

1. Maha Lakshmi mantram

'Om Srim hrim Srim Kamale kamalalaye prasida prasida Srim hrim Srim om
MahaLakshmyai namaha'

2. Durga sapta sloki one verse that starts with Durge smriti

Sarvopakara karanaya sadardra chitta.'

3. Sri Suktam
